

Kreatives Schreiben

Mit meinem gewählten Zeitfenster der Moderne setze ich mich auseinander indem ich meine Beobachtungen und Eindrücke über die Klasse HA9 in einem Gedicht beschreibe, verarbeite und reflektiere.

12 pair of eyes

Silence and Conversation
Doubt and Aggression
Contact and Distance
Hope and Resignation
Trust and Salvation.

What's fake?
What's true?

Hair of blond, brown , black, pink
12 pair of eyes
What do they truly think?

Smile and Frown are friends.
One student- One story.
The search for a future,
The search of life,
The search for love,
Captured by the own history.

True and Lie
Fake and Real
Question and Answer
To be or not to be. But how to be?

12 pair of eyes
in search of life.
