

Narva-Jõesuu is a resort town with original natural conditions. As the resort Narva-Jõesuu has began its history since 1873. Resort become a popular among Saint-Petersburg's nobility in early XX Century.

During The World War II town was severely damaged. And began to rise from ashes in the end of the 1950's, when the first modern SPA's and resort facilities was established here.

At the moment some new SPA has been built. And livened up the real estate market. Fishery and fish production are rising again.
